Health Care Clinics and Controlling Health Care Costs

Learn how an Onsite or Near-Site Primary Care Physician clinic can provide better access to health care at a lower cost to county employees and county budgets, Listen to real world savings from Monroe County and how employees have benefited from the clinic. The AIC is working to make available a new health plan option with an added emphasis on wellness including a clinic option such as Monroe County to every county in the state. This is real health care reform.
